

August Newsletter

Course

- Fred reported that the outside crew has been busy getting course ready for Member/Guest weekend.
- There have been equipment problems but nothing too serious.
- On September 3rd, Fred hopes to deep tine, verticut and aerate the greens.
- Fred will be ordering the chemicals for next year soon.

Finances

- Karen has her hands full at the moment and is still doing our books but didn't have the time to get us a hard copy report. We hope the best for Neil who has been a great asset to the club for many years.

Golf Tournaments

- Jeff said the last month and a half has been pretty good at the club with lots of play and tournaments.
- He sure does a lot of work and long hours as do the girls up front, Patty and Shelva.
- We ask a lot so show your support of their hard work when you are there.
- The Member/ Guest went extremely well. Lots of compliments on the golf course, people, and food. We want to thank all of the volunteers who made this a success as well as Patty and her girls up front, Fred and his men outside, and Jeff who keeps a handle on all of it.
- There are some tournaments in the near future so come out and join us for late summer fun before that white stuff shuts us in.

Future Projects

- The Board is creating a list on how best to improve the whole club...inside, grounds and equipment.
- When the list is completed, we will prioritize it to get the best bang for our buck.
- Expect to see some improvements over the next few months.
- We will need some volunteers for some of the work. If you are interested, let Jeff know.

Hit em straight!
